These terms and

conditions shall be deemed repeated each time the Practitioner submits an invoice for payment of Charges under the MAS Scheme.

- 2.3 The Authority reserves the absolute right, at its sole discretion, to vary these terms and conditions in any way and at any time, and the amended terms and conditions will be communicated to the Practitioner and/or made available as set out in the Authority's Purchase Order Number document. By continuing to submit invoices for payment of Charges under the MAS Scheme, the Practitioner specifically accepts these terms and conditions as varied.

3. Inspections

- 3.1 In respect of the Inspections for which the Practitioner is seeking payment by the Authority, the Practitioner warrants and represents that:
- 3.1.1 it has used Staff who are suitably skilled and experienced to perform the tasks assigned to them, and that such Staff hold all professional qualifications required in order to properly fulfil the relevant Inspection Requirement and provide the relevant Inspection;

For the avoidance of doubt the Authority shall not be required to make payment in respect of any invoice which is found to be invalid. 5. Assignment and sub-contracting

- 5.1 The Practitioner shall not without the written consent of the Authority assign, sub-

contract, novate or in any way dispose of the benefit and/ or the burden of the Agreement or any part of the Agreement. The Practitioner shall be responsible for the acts and omissions of its sub-contractors as though those acts and omissions were its own.

- 5.2 Where the Authority has consented to the placing of sub-contracts, the Practitioner shall, at the request of the Authority, send copies of each sub-contract, to the Authority as soon as is reasonably practicable.
- 5.3 The Authority may assign, novate, or otherwise dispose of its rights and obligations under the Agreement without the consent of the Practitioner provided that such assignment, novation or disposal shall not increase the burden of the Practitioner's obligations under the Agreement.

6. Intellectual Property Rights

- 6.1 All intellectual property rights in any materials provided by the Authority to the Practitioner for the purposes of this Agreement shall remain the property of the Authority but the Authority hereby grants the Practitioner a royalty-free, non-exclusive and non-transferable licence to use such materials as required until termination or expiry of the Agreement for the sole purpose of enabling the Practitioner to perform its obligations under the Agreement.
- 6.2 All intellectual property rights in any materials created or developed by the Practitioner pursuant to the Agreement shall vest in the Practitioner. If, and to the extent, that any intellectual property rights in such materials vest in the Authority by operation of law, the Authority hereby assigns to the Practitioner by way of a present assignment of future rights that shall take place immediately on the coming into existence of any such intellectual property rights all its intellectual property rights in such materials (with full title guarantee and free from all third party rights).

The Practitioner shall on request afford the Authority or the Authority's representatives such access to those Records as may be reasonably requested by the Authority in connection with the Agreement.
- 7.2 The Authority reserves the right to seek to verify that the Practitioner is

complying with this Agreement, including the right to conduct such verification by comparing the invoices submitted by the Practitioner under clause 4 with the Practitioner's records provided to HMRC.

- 7.3 If any such verification demonstrates any breach of this Agreement or fraud by the Practitioner, then without prejudice to any other rights and remedies of the Authority, the Practitioner shall remedy (or procure the remedy of) the issue as soon as reasonably practicable, and the Practitioner shall promptly refund to the Authority any excess Charges paid by the Authority.

- 11.5 Subject to clause 11.3, neither the Authority nor any other Central Government Body accepts any responsibility of any kind in respect of the performance or non-performance of any Inspections (which for the avoidance of doubt are strictly a matter between the Practitioner and the relevant Trader).

12. Force Majeure

- 12.1 Neither Party shall have any liability under or be deemed to be in breach of the Agreement for any delays or failures in performance of the Agreement which result from circumstances beyond the reasonable control of the Party affected. - 14.1 The Practitioner shall not offer, give, or agree to give anything, to any person an inducement or reward for doing, refraining from doing, or for having done or refrained from doing, any act in relation to the obtaining or execution of the

Agreement or for showing or refraining from showing favour or disfavour to any person in relation to the Agreement.

- 14.2 The Practitioner shall take all reasonable steps, in accordance with good industry practice, to prevent fraud by the Staff and the Practitioner (including its shareholders, members and directors) in connection with the Agreement and shall notify the Authority immediately if it has reason to suspect that any fraud has occurred or is occurring or is likely to occur.
- 14.3 If the Practitioner or the Staff engages in conduct prohibited by clause 14.1 or commits fraud in relation to the Agreement or any other contract with the Crown (including the Authority) the Authority may:
- 14.3.1 terminate the Agreement and recover from the Practitioner the amount of any loss suffered by the Authority resulting from the termination; or
- 14.3.2 recover in full from the Practitioner any other loss sustained by the Authority in consequence of any breach of this clause.

15. State Aid and Subsidy Control

- 15.1 The Parties acknowledge that it is the Authority's responsibility to comply with the State Aid and Subsidy Control Rules and that the Authority shall not be required to fund or deliver anything pursuant to this Agreement which would be in breach of such requirements.
- 15.2 The Practitioner shall provide such assistance, information and/or support as the Authority may reasonably require from time to time in connection with the Authority's responsibilities pursuant to the State Aid and Subsidy Control Rules as may, in the Authority's view, be reasonably necessary and relevant, but for the avoidance of doubt shall not require the Practitioner to provide legal advice subject to privilege to the Authority, and the Practitioner shall be given adequate time to provide the information.
- 15.3 If the Practitioner is deemed by a court of competent jurisdiction to be a beneficiary of unlawful State Aid or Subsidy, then, unless an earlier date has been specified by that court, the Practitioner shall within two (2) months of a written notice from the Authority at any time (where such notice shall include a copy of the relevant court judgment) repay an amount equivalent to the unlawful and incompatible aid of which the Practitioner is beneficiary (plus interest, as applicable) which the court requires to be repaid pursuant to its decision to the Authority, provided that where the court's decision does not specify the precise amount of unlawful State Aid or Subsidy to be recovered, the Parties shall (acting reasonably) calculate and agree upon the precise amount to be repaid.

- 15.4 If a court of competent jurisdiction finds the Practitioner to be the beneficiary in breach of State Aid and Subsidy Control Rules in connection with this Agreement, the Practitioner acknowledges that Clause 15.3 shall apply regardless of whether:
- 15.4.1 the Practitioner is in default and irrespective of the Practitioner's financial circumstances; and
- 15.4.2 in the Authority's view, the State Aid or Subsidy granted in connection with this Agreement complies with the State Aid and Subsidy Control Rules.

16. General

- 16.1 Each of the Parties represents and warrants to the other that it has full capacity and authority, and all necessary consents, licences and permissions to enter into and perform its obligations under the Agreement.
- 16.2 A person who is not a party to the Agreement shall have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on him, without the prior written agreement of the Parties.
- 16.3 The Authority reserves the right to modify or discontinue, temporarily or permanently, the MAS Scheme (or any part or feature thereof) at any time after giving prior notification where practicable, or otherwise, without any prior notification if such notification is not practicable.
- 16.4 Without prejudice to the generality of clause 16.3 above, the Authority may terminate the MAS Scheme and thereby this Agreement at any time with immediate effect in the event that, in the Authority's reasonable opinion, the continued performance of the MAS Scheme and/or this Agreement ceases to be compliant with applicable Law.
- 16.5 Termination or expiry of the Agreement shall be without prejudice to the rights of either Party accrued prior to termination or expiry and shall not affect the continuing rights of the Parties under this clause 16.5 and any other provision of the Agreement that either expressly or by implication has effect after termination.
- 16.6 The Agreement contains the whole agreement between the Parties and supersedes and replaces any prior written or oral agreements, representations or understandings between them. The Parties confirm that they have not entered into the Agreement on the basis of any representation that is not expressly incorporated into the Agreement. Nothing in this clause shall exclude liability for fraud or fraudulent misrepresentation.
- 16.7 Any waiver or relaxation either partly, or wholly of any of the terms and conditions of the Agreement shall be valid only if it is communicated to the other Party in

writing and expressly stated to be a waiver. A waiver of any right or remedy arising from a breach of contract shall not constitute a waiver of any right or remedy arising from any other breach of the Agreement.

- 16.8 The Agreement shall not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in the Agreement. Neither Party shall have, nor represent that it has, any authority to make any commitments on the other Party's behalf.
